Play times shown on this chart are used by the majority of the lounges. But a couple lounges swap DJ's at other times. At least one changes their play times on different days of the week! So, if a lounge is not using the exact play times on this chart, one box on the chart may cover two of their play times or the times may overlap. Still, all DJ's are listed on the chart at the closest time possible, and in the order they play.

Everyone is welcome to the TSC party (outlined in bold). Free food & adult beverages are included for a small donation!
